 5. Follow the steps below to request your records.
-

How to Request Your Records

Before You Begin

Please upload a copy of your photo ID under the **My Identity** tab in your Clearpath profile. This helps us verify your identity and process your request quickly.

Requesting Records

1. Log in to your Clearpath account.
2. Select the **Request Records** tab.
3. Click the **Request Record** button.
4. Choose **Bright Light Medical Imaging** as the Record Custodian (Provider Location).

- If Bright Light Medical Imaging does not appear in the list, please contact Clearpath Support.
5. Select the records you would like to request, including:
 - Body Part
 - Date Range
 6. Review and accept the Terms and Conditions.
 7. Submit your request.

Once your request is received, Bright Light Medical Imaging staff will review and process it. When approved, your records and images will be available in the **My Records** tab.
